

BOX 1

COMMON-INTEREST BUILDING: TRAINING GAME

To start, each participant identifies three (3) [United Nations Sustainable Development Goals \(SDG\)](#) that are personally meaningful from among the 17 (see figure below). As a team, progressively reduce the number of SDG to justify a single development goal, based on the common interests of the group.

- Please explore the [Sustainable Development Knowledge Platform](#) to prepare for the *Common-Interest Building – Training Game* (Box 1)
- Holistic pedagogy of the *United Nations Sustainable Development Goals* (SDG) will be applied to **common-interest building** as a fundamental negotiation strategy that operates across a ‘continuum of urgencies’ with cooperation beyond conflict resolution
